## ABOUT US

Landscape Improvements is a family-owned and operated business providing exceptional landscaping and lawn care services in Central Florida since 1992.

About 3 decades ago, all we ever dreamed of was having a beautiful backyard where we could host barbeque parties or just relax as a family, after spending a long day. After transforming our own lawn into an outdoor space we fell in love with, soon neighborhoods wanted the same for their own backyards.

## OUR SERVICES:

- ✓ Landscape Architecture
- ✓ Horticulture
- ✓ Insect Pest Management
- ✓ Lighting
- ✓ Drainage Installation
- ✓ Container Gardening
